Political Science

Higher Education Administrative, Faculty, & Professional Experience

December 2016-Present

Founder & President, Grounding Group, LLC (Little Rock, AR)

As President I provide consulting services to companies that are designed to meet the social justice needs of corporations, educational institutions, non-profits, and government agencies by providing training evaluation, publishing, and professional development services.

Leadership Highlights

- Provided implicit bias training for incoming police cadets, police officers, and senior leadership team at the Little Rock Police Department.
- Worked with the City of Little Rock to help them create the Youth Master Plan.
- Facilitated a post-secondary policy discussion with seven higher education institutions in Central Arkansas on how to create programs, policies, and practices to improve outcomes for boys and men of color.
- Worked with the Urban League of Arkansas to create a software platform that collects, houses, and reports out data on common assessment themes that impact boys and men of color served by local non-profits.
- Serving as educational advisor for Electus Global, a financial literacy software program for underserved communities.

August 2021-Present

Associate Professor of Political Science, Clark-Atlanta University (Atlanta, GA)

As an associate professor of political science my duties are consigned to teaching undergraduate and graduate courses in political science; develop new and innovative courses in political science to update the curriculum; develop programming for the department and campus community that focused on political science; academically advise all upper-level political science majors; serve on academic and administrative service committees.

Leadership Highlights

- Organized virtual graduate school admission session to recruit potential masters and Ph.D. students to the department.
- Heading up the assessment committee to ensure that program goals and outcomes are aligned in the general education courses.

August 2018-December 2020

Special Assistant to the President & Associate Professor of Political Science (Tenured), Philander Smith College (Little Rock, AR)

As Special Assistant to the President, my job duties focused on special projects and initiatives per the President's request. These duties researching the history of the college to produce an updated manuscript. Assisted the office of institutional research on accreditation issues as well is designing non-academic assessment tools for student affairs. Worked with the President to fundraise for scholarships and develop strategic public and private partnerships with government, business and nonprofits. In my role as associate professor of political science, I taught three classes, conduct research, serve on academic committees, and advise students.

Leadership Highlights

- Assisted in the focus visit for the Higher Learning Commission by engaging the visiting team and articulating the social justice mission of the college in November 2018.
- Conducted a fundraiser to endow a scholarship for Dr. Raphael Lewis at the tune of \$10,000 for political science students.
- Hosted a conference on campus to discuss Post-Secondary success for African American males in central Arkansas in the fall of 2018.
- Led efforts to assist faculty with coming up with a new Program Review process per the request of the Higher Learning Commission.
- Provided leadership and training for the Campus Cultural Transformation Taskforce.

September 2016-December 2017

President, Arkansas Baptist College, (Little Rock, AR)

As president, my duties were to provide vision, strategic direction, and raise funds for the college. Additionally, I coached and evaluated all senior leaders of the college. Moreover, I worked with the Board of Trustees to ensure the fiscal and organizational viability of the college with regards to contracts, loans, legal issues, and all external evaluations. Finally, I managed a 20-million-dollar budget with an employee base of 180.

Leadership Highlights:

- Led the effort to develop the institution's first comprehensive strategic plan.
- Led the effort to remove the show-cause sanction to a standard path-ways under the regional accrediting body the Higher Learning Commission.
- Led the effort to address focus visit concerns from the Higher Learning Commission involving issues of assessment, strategic planning, budgeting, and program reviews.
- Raised over half a million dollars in major gifts, grants, donations, and in-kind donations.
- Recommended and approved to add the Alumni President, SGA President, & Faculty Senate to the Board of Trustees.

- Hired an outside consulting firm (Peachtree Group) to conduct a forensic audit to improve the financial position of the college and with their recommendations created a fiscal sustainability plan to improve the budgeting and cash management of the college.
- Created an articulation agreement with the California Community College Transfer Initiative for HBCUs to increase enrollment.
- Led the effort for the college to become a part of the American Council on Education Internationalization Lab to internationalize the campus.
- Started the annual President Luncheon Program Fundraiser.

August 2015-July 2016

Visiting Professor of Political Science, Department of Social & Behavioral Sciences, the University of Arkansas at Pine Bluff (Pine Bluff, AR)

As visiting professor of political science my duties were consigned to instructing courses in political science; coordinating with the department chair and dean for course scheduling; develop new and innovative courses in political science to update the curriculum; developing programming for the department and campus community that focused on political science; academically advised all upper-level political science majors; served on academic and administrative service committees.

June 2011-August 2015

Founding Executive Director/Associate Professor of Political Science, (Executive Cabinet Member) Social Justice Institute- Philander Smith College (Little Rock, AR)

As Executive Director of the Social Justice Institute I was responsible for: Infusing social justice into the first year seminar curriculum by engaging and training faculty members; Designing, implementing, and evaluating student and staff training around social justice; Forging partnerships with local, regional and national organizations and institutions committed to social justice; Collaborating with all of the Vice Presidents and directors on how to infuse and sustain social justice in their respective departments; Served as the chief spokesperson for social justice issues for the college, articulate and communicate the value of social justice for improving the quality of life for the campus, and promote community support for social justice issues in the state; Served as principle advisor to the President on all social justice related issues; Representing the president at on-campus and external locations; led the strategic planning process; and collaborated with the office institutional advancement to develop and manage the fundraising strategies for the office, prepare an annual budget for cabinet approval, and oversee the management of a \$1.2 million dollar office budget.

Leadership Highlights:

- Chaired the college's strategic planning committee.
- Infused social justice themes in the general education curriculum through learning outcomes.
- Established the college's first visiting scholars program.

- Assisted in increasing the college's first-year retention rate from 55% to 79.5% in the 2013-2014 academic year through the first-year seminar course.
- Acquired the Carnegie Community Engagement Elective Classification designation for the college.
- Assisted in developing reverse transfer initiatives with the Arkansas Department of Higher Education.
- Developed the college's first comprehensive service-learning program.
- Created the iTunes University course management page with Apple.
- Cultivated a relationship with the Kresge Foundation to secure \$600,000 in continued funding by writing a second proposal that was accepted in Fall 2013.
- Secured funding for a Black Male Engagement program from the Winthrop Rockefeller Foundation for \$150,000.
- Established the Archival Justice Project that led to two historical markers on the campus of Philander.
- Revised the entire political science curriculum to ensure it reflected each respective sub-field in political science equitably.
- Advised/mentored students to pursue study abroad opportunities in South Africa.

August 2008- June 2011

Assistant Professor of Political Science/Program

Coordinator/Honors College Faculty Johnson C. Smith University
(Charlotte, NC)

As an assistant professor of political science my duties were consigned to instructing courses in political science; coordinate with the department chair and dean for course scheduling; develop new and innovative courses in political science to update the curriculum; develop programming for the department and campus community that focused on political science; sought funding to support programming; academically advised all upper-level political science majors; served on academic and administrative service committees, and finally served as honors college faculty in politics and government.

Leadership Highlights:

- Established a partnership with Secretary of State Condoleezza Rice at the State Department for HBCU student internships and created an internal process for vetting and interviewing students.
- Hosted a national conference on the 50th anniversary of the assassination of Fred Hampton.
- Wrote and received a grant from the Charlotte Area Educational Consortium for funding for the Fred Hampton conference.
- Received the UNCF/Mellon Faculty Residency award.
- Created a bi-monthly political science lecture series.

August 2006-May 2008

Professorial Assistant-Writing Improvement for Success and Empowerment Clark-Atlanta University (Atlanta, GA)

As professorial assistant my duties were to: assist in planning, developing, and providing classroom and online materials for tutoring; assess students work by providing detailed feedback; assist in creating rubrics and matrixes for faculty in various university departments; participated in scoring of university-

wide exams and other assessments; attended and participated in the planning and implementation of learning community activities; and assist the executive director in collecting and analyzing data on student performance and other factors affecting retention.

August 2005-May 2006 **Academic Lab Facilitator**-Gateway Academy
Georgia Perimeter College (Decatur, GA)

My duties associated as academic lab facilitator were to: instructed weekly instructional labs in the areas of math, writing, and reading to high school students, assisted teachers with classroom instruction through individualistic tutoring session; assisted in guiding with retention, curriculum enhancement, and strategic planning for the program.

August 2004-May 2008 **Graduate Teaching Assistant/Adjunct Professor of Political Science**
Clark-Atlanta University (Atlanta, GA)

As a graduate teaching assistant and adjunct professor of political science my duties consisted of: teaching courses in first-year seminar and political science; academically advised all first-year political science students; attend faculty development programs for the department; and develop new courses for the program.

Leadership Highlights:

- Revised the first-year seminar course for political science majors.
- Developed and taught the first course centered on political science and hip-hop music in the nation.
- Populated and managed the political science department e-group.

August 2004-May 2007 **Assistant Technology Lab Coordinator**- Center for Academic
Achievement Clark-Atlanta University (Atlanta, GA)

As assistant technology lab coordinator I was responsible for: updating, managing, and supervising two computer labs consisting of twenty-five computers; conduct scholastic workshops in the area of study skills, intensive writing, and time management utilizing software for students; train and assist faculty and students in Microsoft office, Accu-tract, Web-ct, Plato, and Windows problems; perform routine maintenance on the computers weekly; and provide tutoring in the areas of reading, history, English, and writing.

August 2004-May 2005 **Praxis II Consultant**-Department of Education
Clark-Atlanta University (Atlanta, GA)

As a Praxis II consultant, I conducted fifteen workshops throughout the academic year for upper-level students on test-taking skills. Also, I provided one-on-one tutoring in the discipline areas of English,

social studies, and government. Finally, I created a survey tool for assessment for the workshop and provided the data to the chair of education for accreditation purposes.

August 2002-July 2004

Assistant Dean of Chapel/Minister of Programs

Philander Smith College (Little Rock, AR)

As Assistant Dean of Chapel my duties were to design, execute, and evaluate weekly chapel programs; serve as an advisor for the Student Government Association and Student Christian Association; plan to organize and conduct weekly bible studies and Sunday Vesper services; and offer spiritual guidance for student, faculty, and staff. My duties as minister of programs were to; design and implemented the Black Family Studies Initiative on Consciousness (BFSIC) program that focused on redesigning the first-year seminar course, host bi-monthly seminars relating to current issues in the African American community, plan/organize the BFSIC Black History month lecture series and manage the BSFIS budget and writing proposal for future funding.

Leadership Highlight

- Published a comprehensive black history booklet for first-year students
- Established a lecture series for the campus and surrounding community
- Received the Presidential Administrative Merit Award Recipient
- Assisted with fundraising for the construction of Reynolds Library
- Wrote and received a grant for campus ministry for 50k
